

# ICAG TRAINING PROGRAMMES 2025

Institute of Chartered Accountants, Ghana (ICAG) was established by an act of Parliament, Institute of Chartered Accountants, Ghana Act, 2020, Act 1058, to regulate the accountancy profession and practice in the country. Among other functions, Sections 3(e), 3(l) and 3(p) of the Act mandate the Institute to regulate the training of all calibers of accountants and to organize continuous professional development courses for members of the Institute.

In fulfilment of these mandates, the Institute has over the years organized training programmes for persons within the accounting class and beyond. Our training programmes are not limited to accounting professionals only – they are open to business professionals and leaders, governance experts, career starters, management and operational staff etc. Our cutting-edge training programmes for 2025 are herein summarized below:
